Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we

never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. Space is limited on the boat and especially in your cabin. You can only take soft sided luggage on board, such as a mid-sized backpack or soft duffel bag. (Less than is 15kgs)
Suitcases are not appropriate for our Sailing adventures as they are not pliable enough to fit into the niches available for luggage.
2. Fresh water is very limited on board, and as such we ask for your understanding that showers are limited to one quick shower per person a day.
3. It's important to note that the beds in the cabins are not the usual length of a standard bed. The length is approximately 1.8 meters (6 feet)
4. Electrical outlets on board are European style with 2 pins (240V), and are only operational while in port. It is recommended to bring an external battery pack for charging personal electronics.
5. This is a self-catering trip, and everybody will be expected to participate, cleaning up after themselves, and keeping the boat ship shape at all times (including washing the dishes, and emptying the bins when ashore.)
6. Physical Rating:
 - You should be able to climb up small steep ladders, or walk over a wooden plank (without a handrail) when boarding/disembarking the vessel, and be physically able to carry your luggage.
 - You will often be climbing in and out of the yachts inflatable tenders at beach landing spots, and boarding/disembarking the tender from the yacht in sometimes challenging conditions.
 - Moving around the yacht while under sail can be challenging as it moves in the waves or heels over to its side. You should be physically able, and comfortable, to move about in such conditions.

COMBO TRIP

Please note that this tour combines with other Travel There Co tours. As such, the staff and some travel companions on your tour may have previously been traveling together with Travel There Co, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another Travel There Co tour, after your trip concludes.

Group Leader Description

A Travel There Co skipper will be with the group throughout your journey. The aim of the skipper is to take the hassle out of your travels and to help you have the best trip possible, as well as taking complete charge of the sailing, your safety on board and the safety of the vessel. As this is a real sailing adventure, our skipper might also request your help on board and will be more than happy to impart some of their vast sailing knowledge during the course of the journey. Our skippers are all fully licensed with many years of experience sailing in the area. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and you can expect your skipper to have a broad general knowledge of the islands in Croatia you will visit.

Group Size Notes

Max 8.

Meals Included

No meals included

Meals

Eating is a big part of traveling. Travelling with Travel There Co you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to Travel There Co group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

On our Croatia sailing trip the Travel There Co Skipper/CEO will help you make a food kitty, where 500 HRK (Croatian Kuna) per person, per week will be added to the kitty for small food items on board to cover breakfasts, lunches and the odd dinner.

Breakfasts and lunches are prepared by yourself, and most dinners are taken ashore at local restaurants.

Transport

16m (52 ft) sailing yacht.

About our Transportation

Our 50ft sailing boats are equipped with state of the art technology offering all travellers onboard a safe and enjoyable experience. Space is optimized – sleeping quarters are snug, meaning that more of the boat is open from everyone to enjoy. Cabins are allotted by the skipper based on the gender and traveller make-up of the group.

Local Flights

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

4 twin/double bed cabins, 3 bathrooms, 2 showers (7 nts).

About Accommodation

A NOTE REGARDING SMALL SPACES ON SAILBOATS:

- Please note that the rooming for these boats is assigned upon arrival and neither particular cabins, nor berths can be guaranteed. You will be sharing a bunk or double bed with your travel partner or one of your fellow passengers of the same sex and sharing the bathrooms onboard.
- Please be aware that as this is a real sailboat and not a cruise vessel and the space on board is tight. The sleeping quarters on sailboats are generally kept to a minimum size in order to maximize public space and performance.
- It may be possible to smell engine and/or diesel fumes when in the cabins, due to their proximity to the engine room. Most travel is done during the day, so it is unlikely you will be in the cabin when the engine is running.
- Some people are not comfortable with the type of close quarter arrangements typically found on sailboats, however if a real sailing experience on a real sailboat is what you are after, then this experience should more than make up for cramped quarters.
- Opportunities to sleep in open air on main deck are often available.
- Please note that the skipper may also be sharing the ship's quarters and amenities with you.

- Power onboard is 220V on European 2 pin sockets. Please note that this is not suitable for sleeping aid machines, as the power source may not always be operating. Bringing a battery pack is recommended.

Visas and Entry Requirements

Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your responsibility to have the correct travel documentation. While we provide the following information in good faith, it is vital that you check yourself and understand that you are fully responsible for your own visa requirements.

A valid passport for at least three months beyond length of stay is required. USA, Canada, Australia and New Zealand passport holders do not need a visa to visit Croatia for stays of up to 90 days.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

While Euros (EUR) are generally accepted everywhere it is strongly recommended to use the official local currency, the Croatian Kuna (HRK). When exchanging currency, or deciding what to bring, keep in mind that businesses do not have to accept Euros and while most do, you may find some who prefer to accept Kuna. You can bring both, or withdraw Kuna from an ATM when you arrive. If you need to exchange EUR for HRK, hotel exchange rates are usually quite poor, so try to avoid changing your money at your hotel. You will probably be better off changing your money in a bank or in one of numerous Bureaux de Change that you will find in towns.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

Tipping

It is customary in Europe to leave a small tip for service providers, such as waiters, if you are pleased with the service (€1-2). Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping local guides would range from €3-5 per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your Travel There Co CEO or skipper did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline €5-8 EUR per person, per day can be used.

Health

Please note: We do not have a constant power source onboard, and cannot facilitate the use of Sleep Apnea/CPAP machines. Bringing a suitable battery pack is required.

Inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

No particular health issues in Croatia, just that in some more remote islands bottled water is more recommended to drink. Just keep in mind that some heat waves are possible from June to October all over the country. People who are sensitive to seasickness should come prepared.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

<http://www.gadventures.com/travel-resources/safety/>
www.gadventures.com/travel-resources/safety/

Trip Specific Safety

Croatia is a relatively safe country if you take the same precaution you would back home in any major and/or touristy cities, use common sense and do not hesitate to ask your skipper about specific areas to avoid. Also it is recommended to carry with you only the money and documentation you need for the day. Always keep an eye on your belongings, while having a drink, at the internet cafe, waiting at the bus station.

Medical Form

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

A Word of Warning

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
