Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. CAMPING SERVICE

The idea of camping in Africa can be a daunting one. For those not accustomed to 'roughing it' for a few days we offer a full camping service. All tents are pitched for you, meals are prepared and served and the washing up is done by Travel There Co staff. This leaves you with more time to enjoy your surroundings and is ideal for first-time campers who may be worried about the challenges such a trip can entail. When camping we are exposed to the elements, and whilst there are times when the weather is fine and temperatures are pleasant, there may be days when it is foggy, rainy and cool. In certain locations there may also be a number of bugs. Camps are open to the natural environment (ie. no fences) – care must be taken, especially at night, when a torch/flashlight is recommended when walking around the camp area. These factors, however, should be seen as minor downsides to a camping experience which will allow you to get up close to the beautiful nature that Africa has to offer. All camping equipment (with the exception of your sleeping bag) is supplied. We supply canvas dome tents with built-in mesh insect nets on the doors and windows. Mattresses are also available, which are approximately 4cm thick, warm and comfortable. Please note drinking water, ice, and fire wood are not provided but can be bought locally with the assistance of the Chief Experience Officer.

2. SLEEPING BAGS

Sleeping bags can not be rented on any of our Africa overland or safari trips

3. MIGRATION

Tanzania and Kenya

The Seronera Plains, which lie in the southeast of the National Park and extend into the western Ngorongoro Conservation Area, form the main ungulate calving grounds of the Serengeti. The wildebeest typically disperse into the Seronera plains during the short rains, which fall in late November or early December, before calving in January, and staying put until the end of the long rains from January to early May. Towards the end of April the wildebeest start to congregate on the southern plains in the preparation for the 800km northward migration. The major obstacle faced by the wildebeest on this migration is the crossing for the Grumeti River through the western corridor, which typically occurs from June into early July. From July to October, the ungulates disperse again, with about half of them crossing the Mara River into Kenya's Masai Mara National Reserve and the remainder spreading out through the northern and western Serengeti. By late October the animals have generally started to plod back southward to the Seronera Plains, to arrive there in late November when the cycle starts all over again.

4. TRAVEL DAYS

This is not a physically demanding journey; however, travelling can be difficult, as long drives and poor road conditions are the rule as opposed to the exception in both Kenya and Tanzania. A safari is about travelling to see animals, so we cover long distances south from Kenya and around northern Tanzania to visit different wildlife parks. Once there, we spend the majority of the time viewing wildlife while driving in the parks. This translates to a lot of driving. Despite this, the diversity and scenery of the African landscape, the local culture and abundant wildlife are all well worth the experience.

5. LUGGAGE COMPLICATIONS

It occasionally happens that luggage on international flights into Nairobi does not arrive, especially with, but not exclusive to, major airlines out of London-Heathrow or Schiphol (Amsterdam). Please be aware that this may happen, especially if you have a tight connection in either of these centres, are flying with different airlines with a connection, have a last minute flight change or re-route, or fly from or connect through another African centre. Please be prepared and keep all important documentation and valuables on your person. As well we recommend a change of clothes in your hand luggage. If unfortunately this does happen, and your luggage

does not arrive, you should be entitled to a limited initial compensation from your airline. In Nairobi, the arrival of lost luggage normally takes between 48 and 72 hours after the initial plane's arrival. The airlines technically should be responsible to forward your luggage to you, to your hotel or elsewhere in Kenya. You may find that your tour will begin, and you still have not received your luggage. Considering that the customer service standards in Kenya are different from home, and that we find that the airlines are not always pro-active in helping luggage in its care be reunited with its owner, it is recommended that you purchase locally a few needed items, begin your tour, and hire someone locally to persist with the your airline to retrieve your luggage. Your CEO or local representative will be able to help you organize this, and once your luggage is retrieved, it should be able to be forwarded to you – depending where you are. Please note that any costs that you may incur for luggage retrieval or sending luggage are not the responsibility of Travel There Co, though we will always strive to assist you in any way possible. You should always keep all receipts and documentation, and contact your airline or insurance provider for reimbursement.

6. FLYING THROUGH LONDON-HEATHROW TO EAST AFRICA?

Please note that regardless of the rules in other centres, travellers flying from, or connecting in, London-Heathrow are currently only permitted one carry-on piece of luggage and one small personal bag (purse, laptop-size bag, briefcase) on board on flights to Nairobi. If you arrive to the security gate with 2 pieces, you will be forced to check-in one of them, which may result in complications noted above. This policy is in place as of the time of writing, though local rules and regulations may indeed change. It is thus advisable to contact your airline directly for the most up-to-date information.

7. COMBO TRIP

Please note that this tour combines with other Travel There Co tours. As such, the staff and some travel companions on your tour may have previously been traveling together with Travel There Co, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another Travel There Co tour, after your trip concludes.

8. YELLOW FEVER

It may be required to show a Yellow Fever certificate upon entering the country(s) visited. Please check in with your local health expert for advice on Yellow Fever and other inoculations required for this area.

9. ELECTRICITY

The power supply in Kenya and Tanzania is nominally 240VAC, 50hz. Variable voltage, spikes and sporadic, unexpected, unscheduled power cuts of varying duration can be expected.

10. EXTRAS

Looking to add to your experience? Check out our Extras! Specially designed for travellers with unique interests, Extras are optional add-ons to your G adventures trip that make your adventure more you-centric. Extras must be booked prior to departure, please see details in our optional activities field and ask your sales GCO or travel agent about booking.

He/she organizes the trip, and will be there to assist you when needed. Transport

public minibus/shuttle, 7-seat 4x4 safari vehicle.

About our Transportation

This trip is done in private 7 seat 4x4 Land cruiser vehicles. With sliding windows and a large pop-up roofs, these vehicles are designed for wildlife viewing. If there is a large group, 2 vehicles will be used.

The journey between Kenya and Tanzania will be done on a public shuttle, these are large mini buses with seating for 22-24 passengers. If you are returning to Nairobi from Arusha at the end of your safari and have pre-booked your "shuttle" transfer through Travel There Co, you will travel in a similar public shuttle.

Speed governors set to 80kph are used on all vehicles to ensure a safe driving speed. Please note for your own safety it is mandatory to wear your seat belt at all times when in a vehicle.

All G Adventure vehicles are regularly serviced and follow a strict maintenance schedule. However given the long travel days and rough conditions of many of the roads in Africa, vehicles can and do breakdown on occasion.

If such situations occur all drivers are trained mechanics and any vehicle issues are rectified as quickly as possible so as to not disrupt your trip. Your patience is requested if the vehicle you are traveling in happens to encounter a mechanical fault.

Local Flights

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Simple hotels (2 nts), full-service camping (4 nts).

About Accommodation

Camping in Tanzania is truly an adventure. You will be able to get off the beaten track to get a first-hand experience of the beautiful wilderness and nature. While camping, we stay at designated campsites inside of and nearby the national reserves and parks. These campsites are generally very basic, and are not comparable to western standards. We pitch tents at the public campsites, and may be sharing the space and facilities with

other groups, especially during the high seasons. (The amount of people sharing these campsites may influence the cleanliness and environment of these public camp sites.)

All camping equipment (with the exception of your sleeping bag) is supplied, including camp mattresses, which are warm and comfortable. We supply dome tents and assembly/disassembly takes only 5 minutes. They are good quality, durable, industry-standard 2-person safari canvas tents. Please note that most adults will not be able to fully stand up inside the tents, though most travelers find these more than adequate, as they have a base area of approximately 4 square meters. These tents are regularly treated with a waterproofing agent, but under certain rainy conditions, the tent fabric may become saturated to the point where seepage or leakage may occur. All tents have built-in mesh insect netting on the windows and doors.

Our campsite in Mto wa Mbu is basic, but clean and the location is very convenient. Once we move into the Serengeti National Park and to the Ngorongoro Crater rim, the facilities become more basic with long-drop latrines, simple cold shower or bathing, and no electricity.

Camps are open to the natural environment (ie. no fences) – care must be taken, especially at night, when a torch/flashlight is recommended when walking around the camp area.

The idea of camping in Africa can be a daunting one. For those not accustomed to 'roughing it' for a few days, don't worry, your trip is a 'full service camping' experience. All tents are pitched for you, meals are prepared and served and the washing up is done by Travel There Co staff. This leaves you with more time to enjoy your surroundings and is ideal for first-time campers who may be worried about the challenges such a trip can entail.

Joining Hotel

For details of your joining hotel please refer to your tour voucher, G Account, the Travel There Co App or contact your travel agent.

Joining Instructions

If you have not booked an arrival transfer please make your way to the joining hotel. Jomo Kenyatta International Airport is about 20 km from downtown and your hotel. There are a variety of ways to get into the city. The dedicated airport bus takes about 40min at USD 5, however an airport taxi is recommended. This can be booked either inside the airport at an 'information desk' or outside of the terminal. The price is approximately USD 20.

If you have paid in advance for an arrival transfer, a Travel There Co representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time.

A Travel There Co Representative will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details.

We strongly advise you to pre-purchase your entry visa prior to arrival as queuing for the visa at the airport can cause long delays in clearing customs. This is especially relevant if you have pre-booked an airport transfer.

If you have pre-booked an airport transfer, it is necessary to make contact with our representative, who waits with a Travel There Co sign outside the secure baggage-retrieval area, within 1.5 hours (90 minutes) of your flight's scheduled arrival time. No refunds will be granted if you fail to make contact with our representative within this reasonable time. After such time, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions.

Your arrival transfer has been arranged based on flight information provided to us. If you receive notification of a flight schedule change outside of 48 hours before your flight is scheduled to arrive, please contact us to advise of your new flight details.

What to Take

You will be on the move a lot, so our advice is to pack as lightly as possible. Your baggage should be clearly labelled and restricted to one soft compact suitcase, sports bag, or backpack, no larger than 30cm(height) x 30cm(width) x 60cm(length), maximum 15kg, plus a daypack. Luggage limits on airlines are strictly enforced, and due to limited vehicle capacity, the cost of transporting any luggage beyond these restrictions is the responsibility of the client. Please note, if you are travelling with a large amount of luggage and will be returning to Nairobi later in your trip, you may leave a portion of it at the start hotel, this is indeed possible as storage facilities are available.

For our camping style tours, you will need to provide your own sleeping bag, and liner (if you would like). We provide the tent, small pillow, sleeping sheet, and the sleeping pads.

It is important to pack clothes for warm days and cool evenings, as well as a warm jacket for early morning wildlife safari drives. Light, quick-drying, practical clothes are advisable for this safari trip. A set of smart casual clothes is also advisable for your time in Nairobi and Arusha.

We recommend you bring a non polluting/biodegradable soap, as well as a roll of simple string to act as a drying line for your clothes. If you arrive in the late afternoon, or if there is poor weather, it may not be possible for your clothes to completely dry. Your start/end hotels also have laundry service for a fee.

Visas and Entry Requirements

All countries require travellers to have a valid passport (with a minimum 6 months validity). The Kenyan Government has introduced an electronic visa process with effect from July 2nd. Travellers wishing to enter Kenya need to visit www.ecitizen.go.ke and follow instructions for processing their electronic visa in advance of their arrival into Kenya. As this measure was introduced with little advance notice, there is a grace period where travellers may continue to apply upon arrival into Kenya for their visa. You can obtain a visa for US\$50. A transit visa, which is valid for 6 nights / 7 days within Kenya, for one entry into Kenya only, costs US\$10 OR 10 GBP OR 10 EUR or 10 SWF.

A visa for Tanzania can be obtained when entering the country by land with the group, for most nationals for a standard fee of US\$50, though the current cost of a Tanzanian Visa for U.S. nationals is \$100. This is also valid for up to 3 months, with multiple entries among Uganda and Kenya permitted. Please note that Kenya is now strictly enforcing a "blank pages, condition of entry". All those requiring a visa on arrival must have at least two blank pages available in their passports. Failure to meet this requirement could mean that entry will be refused. This information is accurate at the time of writing. Though as fees and policies can change, we highly recommend that you contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your responsibility to have the correct travel documentation.

IMPORTANT NOTE

It may be required to show a Yellow Fever certificate upon entering the country(s) visited. Please check in with your local consulate and health expert for advice on Yellow Fever and other inoculations required for this area.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The local currency in Kenya is the Kenyan Shilling (KES, or KSH) and in Tanzania is the Tanzanian Shilling (TSH).

Shillings can be obtained locally by changing foreign currency or by using ATMs (where available) which will disperse local currency. Your CEO will inform you where you can change money throughout the tour and approximately how much money you will need for each country.

The easiest foreign currency to exchange for locally for any of the local currencies is the \$US; however the British Pound and Euro may also be exchanged as well. Please note that due to past problems with forgery, \$US notes that are older than year 2006 are not accepted in Africa.

Large note (\$US 50, \$US 100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to rely on cash, please bring foreign currency (Euro, Pound, USD) with you, as it is often expensive to buy these currencies locally. And in more rural areas, it is often not likely.

If you plan to buy your visas at borders, you will need to bring \$USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa/Plus system cards are the most widely accepted debit cards. it is harder to find machines Mastercard/Cirrus cards. We highly recommend that if you hold a Mastercard, you obtain a Visa card prior to departure and travel with both. This is also useful should something unforeseen happen to one of your cards during your travels.

While there are many ATMs in the major centres, there are no guarantees that your credit or debit cards will actually work in Africa. Check with your bank.

Credit cards can be used in major cities and towns ONLY but please do not rely on them as a method of payment because they are generally not widely accepted. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. The majority of our optional activities can also be paid by credit card. Your CEO will advise on these.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

USD30, usually included in most international air tickets.

Tipping

Tipping is an expected, though not compulsory, component of your tour program. The gesture serves as an expression of appreciation for exceptional service, and amounts given are up to your discretion.

Tipping is one of the most direct ways that you can have a positive economic impact within the African community. Although it may not be customary for you, it is an important source of income for those in the tourism industry. Giving a tip should be seen as a formal 'thank you', and the action should in no way be awkward.

The best method of tipping someone that has served the whole group is to plan in advance, and not rush when it comes to saying goodbye. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

You may use the following as a guideline, all given in a per person format:

CEO: \$5 USD (per day)

Driver: \$5 USD (per day)

Supply crew: \$2-5 USD (per day)

Local guides: \$1 USD (per couple of hours)

Restaurant/café servers: 10% of the cost of the bill

Optional Activities

Nairobi

- The Carnivore Restaurant (51-82USD per person)
- Karen Blixen Museum (34-73USD per person)
- National Museum (21-33USD per person)
- David Sheldrick Elephant Orphanage Visit (26-65USD per person)
- Bomas of Kenya Tour (26-65USD per person)

Serengeti National Park

- Serengeti Balloon Safari (599USD per person)

Health

We recommend you contact your family physician, or your local travel clinic for the most up-to-date health information at least one month before departure. Travellers should also carry a basic first-aid kit and hand sanitizers/antibacterial wipes on their travels. Medical facilities are basic throughout these countries. For your own safety, we strongly recommend that you advise your tour leader of any medical condition that may affect you while travelling with the group. Your tour leader will be able to inform you of local health advisories (e.g. drinking water quality). Please ensure you have all the inoculations recommended by your doctor.

Yellow Fever Certificate Note: (Updated: May 2017)

It is compulsory to show a valid Yellow Fever Certificate if you are travelling to the following Travel There Co-visited countries from a Yellow Fever endemic country:

- Botswana
- Ethiopia
- Kenya
- Madagascar
- Malawi
- Mozambique
- Namibia
- Rwanda

- South Africa
- Swaziland
- Uganda
- Zambia
- Zimbabwe

For some of these countries, proof of Yellow Fever vaccination is also required for passengers who have travelled more than 12 hours through the airport of an endemic country. If other countries not endemic to Yellow Fever have been visited after visiting an endemic country, then a Yellow Fever certificate may still be required on entry. Please check country-specific regulations before your departure.

Malaria

Malaria is a mosquito-borne disease that is present in some regions in Africa. Risk of malaria can increase during periods of heavy rain, during the rainy seasons, and in densely populated areas of Southern & East Africa. To prevent malaria, we recommend speaking to your doctor about taking preventative medication (prophylaxis), combined with regular use of insect repellent spray/cream. Please check updated travel health advisories specific to malaria before your departure.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

Trip Specific Safety

Nairobi

-Always leave your passport (It's better to carry a photocopy of it instead), traveller's cheques, flight tickets and money that you won't be using in the safe deposit in your hotel room/reception. This is free of charge to Travel There Co Adventure clients.

-Remember that like in any other city, you should never leave your bags unattended, nor flaunt jewellery, cameras etc

-Please don't wander through the city at night. Stick to the main streets only during the day, and after sundown, please take a taxi. Taxis can be organised from reception of your hotel. Also, take the address of the hotel with you.

-People are generally friendly, but don't let people take advantage of you, especially the sales people!

-Beware of people approaching you on the street with an apparent interest of where you are from, and want to sit down and have a chat with you. These people are most likely con men and try to get money from you in one way or another

-People on the street who ask you if you want a safari and have a brochure are often con men, best to avoid these folk. Besides, you're already on safari!

Arusha

Many of the above precautions should also be taken in Arusha, however this town generally has a more relaxed and friendly vibe. But due to carrying 70% of the tourism in Tanzania, there are many beggars, street sellers and safari touts. These are best avoided by a polite but firm NO THANK YOU!

Photography

Please refrain from taking photos of police stations, airports, bus stations, immigration or border crossings, army barracks and personnel, or any government building. It is against the law and will result in the minimum of your film and camera being confiscated.

Medical Form

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

A Word of Warning

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
