## Itinerary Disclaimer

---

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

## Group Leader Description

---

All Travel There Co group trips are accompanied by one of our Chief Experience Officers (CEO), a Travel There Co representative, or an expedition team. The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

## Group Size Notes

---

Max 18, avg 14.

## Meals Included

---

10 breakfasts, 2 lunches, 2 dinners

## Meals

---

Eating is a big part of traveling. Travel There Co understands the importance of breakfast to start your day, we strive to include a basic breakfast wherever possible. A typical breakfast may include toast, coffee and tea, however this may vary depending on the city. Should breakfast not be included, your CEO can suggest some local options.

Travelling with Travel There Co you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility,

though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. While trekking in remote regions etc. food is included, plentiful and made of fresh local ingredients.

Note: Food is generally considered to be more expensive in Argentina and Brazil than in most other South American Countries.

Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

### Joining Instructions

Officially the airport is called Ministro Pistarini International Airport, but it is commonly referred to as Ezeiza. It is situated 35 km (22 miles) from the city, about 40 minutes in a taxi. A taxi to the centre costs approximately \$45 USD and can be arranged from the official counter inside the Arrivals area.

There is also a bus company that can take you to the hotel of your choice in the centre of Buenos Aires. Manuel Tienda Leon is the most well known, and costs about \$13 USD (80 ARS). Their counter is at the customs exit.

There are exchange facilities in the Banco de la Nacion at the airport with 1.5% commission, ATM Visa and Mastercard facilities are also available. There are many official places to exchange money in centre of the city.

If you have paid in advance for an arrival transfer, a Travel There Co representative will be at the airport to meet you. If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time. Similarly the last day is a departure day during which no activities have been planned.

A Travel There Co Representative will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

## Arrival Complications

---

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details.

If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel. A taxi to the centre costs approximately \$45 USD (ARS 180) and can be arranged from the official counter inside the Arrivals area. Please keep your receipt and your Chief Experience Officer or Travel There Co Representative will refund the cost of the taxi.

## What to Take

---

Most people automatically assume that the weather is hot in South America, however this is not the case, and you may need warm clothes depending on the time of year you travel. We recommend using a backpack for your convenience, or a medium-sized suitcase if you prefer. A daypack is also essential for carrying everyday items. Space is limited on transportation, so there is a limit of one main piece of luggage per person. You will be responsible for carrying your own luggage.

## Laundry

---

Laundry facilities are offered by some of our hotels for a charge. They often charge by item and it is quite expensive. There are many Laundromat services available along the way which charge by the kilo. Your CEO will inform when it is best to do laundry. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

## Visas and Entry Requirements

---

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent.

### BRAZIL VISA

Some nationalities need a tourist visa in order to enter Brazil. Please contact your local Brazilian Embassy to find out if you need to apply for one and for further details. If you are required to have a visa you will need to get one before entering Brazil, otherwise you will be refused entry.

Processing fees and time frames depend on each country, but can take 2 weeks or longer, so we advise you to apply for it as early as possible.

You can apply for Brazil's e-visa here: <http://www.vfsglobal.com/Brazil-eVisa/>

## Spending Money

---

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## Money Exchange

---

The currency in Argentina is the Argentine Peso (ARS), in Uruguay the Uruguayan Peso (UYU) and in Brazil, the Brazilian Real (BRL).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Please bear in mind that cost of living in the southern cone countries (Argentina, Brazil, Chile) is much higher than the rest of South America, and in the case of Argentina, more comparable with Europe. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: [www.xe.com](http://www.xe.com)

## Emergency Fund

---

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

## Departure Tax

---

Most airlines include departure tax in the cost of the ticket. Please check with the airline with which you are travelling.

## Tipping

---

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your Travel Here Co CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

## Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. Travel There Co reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

## Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment

when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

**Protests and Demonstrations-** Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

[www.gadventures.com/travel-resources/safety/](http://www.gadventures.com/travel-resources/safety/)

## **Trip Specific Safety**

---

You should be especially careful when wandering around Buenos Aires on your own, particularly at night. Tourists are easy prey for individual pickpockets or groups of two or more people, working as a team, on the streets. Pay particular attention to anyone who "accidentally" spills anything on your clothes or belongings (mustard, etc.), then apologizes and offers to help clean up. They will clean you out instead! Be safe and leave your passport, credit cards, traveller's cheques and cash you won't be using immediately within the hotel's safety deposit box. Most Porteños are honest and genuinely helpful and friendly, but be safe and enjoy the city!

You should be especially careful walking around Rio de Janeiro on your own, particularly at night. It is very important to use common sense when in Rio as tourists can be easy targets. Do not walk down dark streets or go on the beach in the early hours of the morning. Be safe and leave your passport, credit cards, traveller's cheques and cash you won't be using immediately within the hotel's safety deposit box. Keep your camera safe and valuable objects attached to you as there are many 'grab and run' thieves lurking about.

## **Medical Form**

---

## **A Couple of Rules**

---

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

## **A Word of Warning**

---

## **Travel Insurance**

---

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by

your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

## Local Dress

---

## Feedback

---

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next Travel There Co trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at [customerservice@gadventures.com](mailto:customerservice@gadventures.com) and we will send it on to you.

## Minimum Age

---

Minimum age of 18 years for this trip.

## International Flights

---

Check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.
