Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. Tattoos

Tattoos are not common or widely accepted in Japan. There is no cause for concern, but do your best to cover your tattoos when possible and note that you may not be permitted to enter public spas or onsens (hot springs).

2. Japan Rail Pass

Please note that only foreigners traveling as a tourist are able to use a Japan Rail Pass. If you are a Japanese citizen/resident or traveling on a student/business/military/diplomatic visa, please advise us at time of booking as you will not be able to take advantage of the rail pass.

3. Multi-share Accommodation

18-to-Thirtysomethings accommodation in Japan is multi-share. For more information, see About Accommodation.

4. Combo Trip

Please note that this tour combines with other Travel There Co tours. As such, the staff and some travel companions on your tour may have previously been traveling together with Travel There Co, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another Travel There Co tour, after your trip concludes.

5. Luggage size restriction – Effective from May 2020 onwards

All Travel There Co tours in Japan use the world-famous Shinkansen bullet trains, which have a restriction on maximum luggage size. Your luggage must be less than 160cm in total. This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments.

We strongly recommend bringing a day pack or backpack to use during the day, in addition to your carry-on sized luggage. Please see "What to take" under Tour details for more information.

Group Leader Description

All Travel There Co group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Transport

Train, bus, ferry, walking.

About our Transportation

Japan's reliable public transportation is the best option for both the environment and for experiencing Japan like a local! We will ride several forms of transportation throughout the country, from Shinkansen bullet trains, to subways, local trains, and buses. Note that often times we will have to carry our luggage from one mode of transport to another, so please consider this whilst packing.

Local Flights

Solo Travellers

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Accommodation

Hostels (9 nts, multi-share), traditional inn (1 nt, shared facilities)

About Accommodation

Japan is one of the most populous countries in the world and space is at a premium. Therefore, hotel and hostel rooms are small. Additionally, some Japanese hotels do not have designating non-smoking rooms. Therefore, we ask hotels to deodorize rooms before check-in.

Multi-share Accommodation: Multi-share same-sex accommodation (typically 4-6 travellers per room) is used on this tour, as such, if you are travelling with someone of a different gender you will not be in the same room. The majority of accommodations will have shared bathroom facilities. For private accommodation please see the Japan tours in our Classic Travel Style.

What to Take

We suggest that you pack as lightly as possible as you are expected to carry your own luggage. You will be walking with your luggage in busy public train stations to catch connecting trains, so it is highly recommended that you travel light, have easy to handle luggage, and are capable of walking up and down the stairs with your luggage without any assistance. A large bag will be an inconvenience to you and slow you down!

We recommend keeping the weight of your bags between 10-15kg (22-30 lbs). Large suitcases are not recommended for Travel There Co trips. We suggest travellers bring a rucksack or rolling bag of small to medium size. You will also need a day-pack to carry daily essentials like water, cameras, passport, etc.

It's essential to pack as lightly as possible for rail travel in Japan. All Travel There Co tours use the world-

famous Shinkansen bullet trains, which have a restriction on maximum luggage size.

Any luggage brought on board must be less than 160cm in total (calculated as the sum of the height + width + depth of your luggage). This is roughly the size that most airline companies consider as "carry-on baggage" and allow in overhead storage compartments. We strongly recommend bringing a day pack or backpack to use during the day (for daily essentials like water, cameras, passport, etc.).

Please note that travellers who bring luggage that exceeds this restriction will be directly penalized by the Central Japan Railway Company. Any luggage between 160–250cm will require a fee of 1,000 JPY per luggage, for each leg of your train journey, and is strictly subject to availability. Any luggage over 251cm in total is prohibited on the Shinkansen trains.

If you absolutely must bring more than what fits into a single carry-on bag plus day pack, you may bring a second carry-on bag which also must be less than 160cm in total. Please note, however, that as with all Travel There Co tours, you must be able to carry your luggage unassisted.

Luggage Transfer - Japan's "takuhaibin" service is a convenient and reliable way to transfer luggage from one location to another throughout the country. Pick-up/drop-off/delivery dates and times can be easily scheduled (usually overnight) and costs are moderate. Service can be arranged at most hotels and airports. Using takuhaibin to send your luggage between hotels, or from hotel to airport, is a great way to travel light and avoid hauling large bags on crowded trains or up and down stairs – just be sure to pack an overnight bag with everything you'll need until you're reunited with your luggage the following day.

Laundry

Laundry facilities are offered by some of our hotels but this is very expensive. Your leader can show you self service coin laundries in larger cities. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

Visas and Entry Requirements

Please note that visas are the responsibility of the individual traveler.

The visa requirements for your trip vary depending on where you are from and where you are going. For the most up to date information please check your governments foreign ministry website or with you travel agent as rules do change. It is important that you check for yourself.

For most travellers there will probably be a Japanese embassy or consulate in your home country.

JAPAN: Most nationalities receive A 90-DAY PERMIT ON ARRIVAL.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com.

Every Post Office and 7-11 Convenience store has an ATM machine that accepts Visa, Mastercard and Debit Cards. At times, Maestro/Master Card/Cirrus have been problematic at these machines, so please bring a back-up card.

Credit Cards should not be relied upon for purchases as they are not widely accepted, except in some restaurants and department stores. Money can be exchanged at Post Offices and some banks and hotels in major cities, however it can be a slow process.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

Tipping

Tipping is not practiced in Japan. Leaving money at restaurants, in taxis etc will simply cause confusion.

Also at the end of each trip if you felt your Travel There Co CEO did an outstanding job, tipping is highly appreciated. The amount is entirely a personal preference, however as a guideline \$5 USD per person, per day can be used.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up-to-date medical travel information well before departure.

We recommend that you carry a First Aid kit, hand sanitizer/antibacterial wipes, and a full supply of any personal medications. In Asia, you will not find the same drugs as you get at home. Please be aware that sometimes we are in remote areas and away from medical facilities. Also note that for legal reasons our CEOs (tour leaders) are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your tour, carefully read the itinerary and note the physical demand rating and assess your ability to cope with the demands of the tour and travel style.

Travel There Co reserves the right to exclude any traveller from all or part of a tour without refund if, in the reasonable opinion of the CEO, they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewelry at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](/travel-resources/safety/) for ways to further enhance your personal safety while traveling.

Trip Specific Safety

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

Medical Form

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

A Word of Warning

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. Travel There Co can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Local Dress

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers.

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next Travel There Co trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at customerservice@gadventures.com and we will send it on to you.

Minimum Age

Minimum age of 18 years for this trip.

International Flights

Check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.
