Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. CAMERAS

Please note there may be times during your visit to Bhutan when the use of video and/or still cameras may be inappropriate. Local people may consider that filming is too intrusive and in these circumstances we will request that you do not film. At all times be aware and sensitive to the impact of photography and seek permission before taking photographs of people and respect their wishes if they refuse.

2. HIKING AND WALKING

Please note that there is a lot of walking and light hiking on this trip and some of it at higher altitudes. Please ensure you are in decent physical condition and able to walk for extended periods of time.

3. EARPLUGS

Bhutan, being a Buddhist country believes in ahimsa so the barking of dogs (and there are a lot of them) at night can be annoying. It's advisable to bring earplugs. If you are able to travel with a lot of patience and a good sense of humour, then we know that you - like all of us - will be captivated by what Bhutan has to offer.

4. CLOTHING

The prime requirement for clothes you bring on Bhutan trip is that they are comfortable and appropriate to the weather conditions that you are likely to meet. For protection against cold, particularly at night, a number of relatively thin layers is better than a few thick ones. Thermal underclothes, being small and light, can be very useful. Bhutan is very conservative and you should dress accordingly. As a general guideline, shoulders and knees should be covered at all times. The wearing of shorts is not allowed as it will restrict your entry into buildings of a religious nature and family homes. A water and windproof jacket, a hat and sunscreen are essential.

5. FLIGHT

Your flights into Paro, Bhutan, must be booked by you online. Please visit the following airline websites to do so:

Druk Air

<http://www.drukair.com.bt/>

Bhutan Airlines

<http://www.bhutanairlines.bt/>

Flights can be booked from: Bangkok, Kathmandu, Delhi or Kolkata (please check Visa requirements if flying via India). Once your flight is booked, contact your Travel There Co agent, who will be happy to assist in booking your International connections.

6. EXTRA NIGHTS

If you are planning to extend your stay in Bhutan, pre or post-tour accommodation **MUST** be booked through

Travel There Co in order for us to issue a valid visa for the duration of your stay. These extra nights will include a guide and meals in addition to the accommodation.

Group Leader Description

All Travel There Co group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Group Size Notes

Max 15, Avg 10.

Meals Included

9 breakfasts, 8 lunches, 9 dinners

Meals

Most meals in Bhutan are included in the cost of the trip - some are in the accommodation where it is the best quality/availability option. Most meals are served buffet-style with a selection of traditional Bhutanese food, some western-style (often pasta) as well as some Chinese. Fresh local vegetables are in abundance and while Bhutan is almost mostly vegetarian, there usually is one meat dish available (on some occasions, there can be shortages, as all meat is imported from India).

Transport

Private vehicle, walking, hiking.

About our Transportation

Traveling by road in Bhutan is certainly not what people are used to in Western countries. The roads in the mountains might not be the best but our drivers always keep the safety of the passengers first. Most roads consist of a series of switchbacks going up and back down mountain passes and can be quite bumpy. If you do suffer from motion sickness, we recommend you bring medication for the drives.

Local Flights

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hotel/lodges (9 nts).

About Accommodation

Hotels/Lodges and guest houses are used in Bhutan - these can vary in terms of service and efficiency, but

offer quaint, local charm and flavour. In many instances they might not be like what you are used to back home. Accommodation is generally located in rural areas or outside town centres - they are traditional in architecture, style and its services to the guest. Electricity, wifi and water can often be sporadic and in some locations, wood stoves may be used.

Joining Hotel

For details of your joining hotel please refer to your tour voucher, G Account, the Travel There Co App or contact your travel agent.

Joining Instructions

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through National Geographic Journeys in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Our driver will be waiting for you with a National Geographic Journeys sign with your name on it, and they will be waiting for you outside the luggage hall. There most likely will be many signs, so please check carefully for your name.

Please note that Day 1 is an arrival day and no activities have been planned, so you may arrive at any time. Similarly the last day is a departure day in which no activities are planned.

Your CEO will contact you at the hotel on Day 1 and make sure you are settled comfortably. If you arrive late, they will leave you a message detailing what time and where you should meet the next morning. Your CEO will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your group trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO. If this is unsuccessful, please refer to our Emergency Contact. If your included airport transfer has not arrived within 30 minutes of clearing customs and immigration, please make contact with our representative. We then recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please contact your travel agent on your return for a refund of the transfer cost if this occurs.

Emergency Contact

Should you need to contact us during a situation of dire need, it is best to first call either the Travel There Co Local Representative (if one is listed below) or our Travel There Co Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

AIRPORT TRANSFER

If you have purchased an arrival through Travel There Co or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

What to Take

We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!). You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones.

Visas and Entry Requirements

For Bhutan, National Geographic Journeys will arrange the visa for you. The cost of the visa is included in the tour price. The Bhutanese visa is issued to your passport on arrival, on submission of 2 passport sized photographs.

In order to arrange the Bhutan visa, you must provide National Geographic Journeys with the following:

- Arrival and Departure flight details for Paro
- Scanned colour passport copy, which must meet the following requirements: the image must be extremely clear with no obstructions covering any part of the passport; it must have all details (including background letters) on the passport page in readable print; and there must be absolutely no reflections (due to flash photography) on the image itself.

These details need to be submitted to us 35-40 days before departure.

We will then arrange the Bhutanese visa for you. The visa letter will be forwarded to you 2-5 business days before departure. We cannot get the visa letter issued any sooner, as it is issued by the Bhutanese government. Please print out the visa letter, you will be required to show this before boarding your flight to Paro.

Important: If you are planning to extend your stay in Bhutan, pre- and post-tour accommodation must be booked through National Geographic Journeys in order for us to issue a valid visa for the duration of your stay.

If arriving and departing Paro from India, please note that the Indian government has recently made some changes to visa regulation due to misuse of the Tourist visa. We encourage all passengers to contact the Indian consulate or embassy in their home country to get up to date information on entry requirements. This is especially important for those that are planning on entering India multiple times in a two month period.

Foreigners holding an Indian Tourist Visa, who after initial entry into India plan to visit neighboring Nepal, Bhutan or Sri Lanka and then re-enter into India within 2 months need to get special authorization.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

Bhutan is essentially a cash-based economy, so you will need ngultrum (local currency) for any expenses (drinks, souvenirs, optional activities, etc.). You should not rely on using your ATM card or credit cards in Bhutan. Bring additional cash (USD is best) and exchange that at the airport so you have local currency from the beginning, as it is not always possible to find an ATM or exchange. The local currency is valueless outside of Bhutan so make sure that you change back all excess Bhutanese currency before you leave.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from

USD1-2 per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your Travel There Co CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline USD20-30 per person, per week can be used.

Optional Activities

No optional activities

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. Travel There Co reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Trip Specific Safety

Medical Form

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

A Word of Warning

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Local Dress

Many Bhutanese people still wear traditional clothes and dress modestly.

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next Travel There Co trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at customerservice@gadventures.com and we will send it on to you.

Minimum Age

You must be 18 to travel unaccompanied on a Travel There Co tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

International Flights

Check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.
