While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. Important Notes

Group Leader Description

All Travel There Co group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Group Size Notes

Max 16, Avg 10.

Meals Included

Meals

Eating is a big part of traveling. Travelling with Travel There Co you experience the vast array of wonderful food that is available out in the world. Generally, meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what, and with whom to eat. It also gives you more budgeting flexibility, though generally, food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. Included breakfasts in some places may be Asian style consisting of noodles or congee (rice porridge) or bread and eggs. Vegetarians will be able to find a range of different foods, although in some areas the choice maybe limited. For all trips please refer to the meals included and budget information for included meals and meal budgets.

What to Take

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule, we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bag around 15kg/30lb. Suitcases are not recommended for Travel There Co trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!). You will also need a day pack/bag to carry water, cameras and other electronics like iPods and mobile phones.

Visas and Entry Requirements

Please note that visas for Thailand, Cambodia, Vietnam, and Laos are the responsibility of the individual traveler. The visa requirements for your trip vary depending on where you are from and where you are going. For the most up to date information please check your Governments Foreign Ministry website or with your travel agent as rules do change.

THAILAND - Most nationalities do not need a visa for Thailand for stays of 30 days or less but if you do they are available on arrival at Bangkok Airport.

Please note that certain nationalities (including Bhutan, China, Cyprus, Czech, Estonia, Hungary, India, Kazakhstan, Latvia, Lithuania, Maldives, Oman, Poland, Russia, Saudi Arabia, Slovakia, Slovenia, Taiwan, and Ukraine) may not be able to obtain visa at a land border. If staying in Thailand for more than 30 days, you will be required to obtain a tourist visa in advance. New Zealand passport holders do not require a visa if their stay is 90 days or less. For other nationalities, please ask your travel agent.

LAOS - Your CEO will assist with the arrangements for your Laos visa at the start of your trip. Please have 3 passport pictures and approx. \$50 USD ready.

CAMBODIA - The visa cost for Cambodia is paid on arrival into Siem Reap Airport, which is \$30-35 USD.

Cambodia has now also introduced an e-visa that can be applied for in advance. Please contact the Embassy for more details if you would prefer to get your visa in advance (please be sure to check that your nationality is eligible).

VIETNAM - If you require a visa for Vietnam, they need to be arranged ahead of time (BEFORE your trip) as the processing time varies and they are not available upon arrival.

As of March 2017, a select 40 nationalities are now eligible to enter Vietnam with an E-Visa. Please contact your Foreign Ministry or Vietnamese consulate to see if your nationality is eligible. Please note that you should ONLY apply for a Vietnam E-Visa if you are entering Vietnam by international airport - either Noi Bai International Airport (Hanoi) or Tan Son Nhat International Airport (Ho Chi Minh City).

If you are entering Vietnam by land border, please apply for a regular visa for Vietnam. Many of the land borders we travel through do not accept the Vietnam E-Visa.

Please note that while MOST countries require a Visa ahead of time for Vietnam, certain countries may be allowed entrance for 15 days with proof of exit. As of July 1st, 2015 this will include citizens of Scandinavian countries, Japan, Russia, the UK, France, Germany, Spain, and Italy. However, we STRONGLY recommend checking with your Embassy on the requirements as these change often. Please contact your Foreign Ministry for up to date entry/exit requirements. Your sales agent can assist with departure documentation from Vietnam once we are within 30 days from departure.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

During this tour, the local currencies you will use are the Thai Baht, Laos Kip, US Dollar, Cambodian Riel, and Vietnamese Dong. As currency exchange rates in South East Asia do fluctuate, we ask that you refer to the following website for the most up to date daily exchange rates: www.xe.com for each of the above-mentioned currencies. The best way to carry your money is in debit cards, withdrawing cash in local currencies from ATM

machines. ATMs are found throughout South East Asia and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible in case of loss or problems with one card, you will have a backup. Please note, your bank will charge a fee for overseas withdrawals. USD Cash is recommended for times when ATMs are not accessible. You should bring some cash with you for emergency situations (please refer to our trip dossier) but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix. Travellers cheques can be tricky, timely and expensive to exchange. Cash advances can also be made with some banks but are time-consuming and tend to have high fees attached. Credit cards can be used at some upmarket restaurants, and at some larger stores if shopping for big items. If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 2003, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

Emergency Fund

Please also make sure you have access to at least an additional USD \$250 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

All departure taxes should be included in your international flight ticket

Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is an opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip, if you felt your Travel There Co CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week, can be used.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia, pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. Travel There Co reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash, and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip, you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water-based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of

operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

Trip Specific Safety

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which are the most secure way of storing your valuables. A lock is recommended for securing your luggage.

Be aware that petty theft can be an issue in some Vietnamese towns and cities especially late at night. A common tactic is opportunists on motorbikes that drive by and snatch bags. Please always leave valuables and passports etc in your hotel, in safety boxes if available, and only carry with you enough cash to spend for the day. Bags should always be carried over the neck and not left to sit on your shoulder.

We do not recommend passengers to jump or dive into Kuang Sii Waterfalls in Luang Prabang, this may result in injury.

Medical Form

A Couple of Rules

Illegal drugs will not be tolerated on any trip. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

A Word of Warning

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Local Dress

When packing be aware that dress standards are conservative throughout Asia. To respect this and for your own comfort, we strongly recommend modest clothing. This means covering shoulders and no very short shorts. Loose, lightweight, long clothing is both respectful and cool in the predominantly hot Asian climate. Shorts should be knee-length.

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next Travel There Co trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at customerservice@gadventures.com and we will send it on to you.

Minimum Age

You must be 18 to travel unaccompanied on a Travel There Co tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

International Flights

Check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.
