Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Important Notes

1. CULTURE

India is a country which is very different to anything you will have experienced before. Although this means it is not the easiest place to travel, this is also what makes it so special. Pollution, poverty and the crowds can result in initial culture shock but should be seen as an exciting new challenge. During our time here we have come to love this large and wonderfully different country but we know that we should always expect to encounter some difficulties along the way.

In India there are very different attitudes to time keeping, public cleanliness, privacy and service. Trains will sometimes be late, plumbing can sometimes be temperamental and power will often just vanish. Optimistic menus turn out to have only one dish available and everyone, just everyone, will want to know your name. If you are able to travel with a lot of patience and a healthy sense of humour, then we know that you - like all of us - will be captivated by what India has to offer.

2. COMBO TRIP

Please note that this tour combines with other Travel There Co tours. As such, the staff and some travel companions on your tour may have previously been traveling together with Travel There Co, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another Travel There Co tour, after your trip concludes.

3. WEATHER

Weather conditions in the Himalayas can change rapidly and our CEO may be forced to change the trip itinerary accordingly. Travellers need to be prepared for all weather conditions. For more information please read the "what to take" section of this trip notes.

4. FITNESS

While there are no treks on this trip this will be a fair amount of walking, so you should have an average level of fitness.

5. DRONES IN NEPAL

Please note that drones and the flying of drones are prohibited in Nepal. If you violate these regulations the police may take you into custody.

Group Leader Description

All Travel There Co group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend

great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Group Size Notes

Max 16, Avg 10

Meals Included

16 breakfasts, 4 lunches, 5 dinners

Meals

Eating is a big part of travelling. Travelling with Travel There Co you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. Vegetarians will be able to find a huge range of different foods - India is vegetarian heaven. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Transport

Van, bus, auto-rickshaw, cycle-rickshaw, walking, plane, boat, 4x4.

About our Transportation

ROAD

Road travel in India is certainly not what people are used to in Western countries. Rules are not always followed, drivers appear to speed, do not stay in their lanes, overtake in seemingly dangerous situations, and rarely use their mirrors or driving lights at night. The horn however is used frequently and can range from the latest Bollywood tune to Britney Spears! Although the government is investing large sums of money to improve the road infrastructure, there is a lot more to be done. As a result some of the roads are poorly maintained, pot holed and uneven. This gets even more pronounced particularly during and after the monsoon. Travel time is very long in comparison to Western countries and short distances can take much longer than at home. You have the comfort of an air-conditioned Private vehicle, but be prepared to take an odd ride in a local transport for the experience.

Local Flights

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hotels (14 nts), heritage hotel (1 nt), monastery guesthouse (1 nt)

About Accommodation

A variety of styles of hotels/guest houses are used in India. These can vary in terms of service, efficiency and cleanliness. In many instances they might not be like what you are used to back home. Power cuts can and are a regular occurrence in many places, especially throughout North and Central India. Although a number of hotels have generators there may be times when these won't work. It is also recommended when you are in your room to lock the door, as staff will sometime enter without reason.

Joining Hotel

For details of your joining hotel please refer to your tour voucher, G Account, the Travel There Co App or contact your travel agent.

Joining Instructions

An arrival transfer is included when you arrive on Day 1, or if you arrive up to three days prior provided that you have booked your pre-accommodation through National Geographic Journeys in our joining hotel. Due to customer experience and quality considerations, all services related to the tour must be continuous.

Our driver will be waiting for you with a National Geographic Journeys sign with your name on it, and they will be waiting for you outside the luggage hall. There most likely will be many signs, so please check carefully for your name.

Please note that Day 1 is an arrival day and no activities have been planned, so you may arrive at any time. Similarly the last day is a departure day in which no activities are planned.

Your CEO will contact you at the hotel on Day 1 and make sure you are settled comfortably. If you arrive late, they will leave you a message detailing what time and where you should meet the next morning. Your CEO will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your CEO, please refer to our emergency contact details. If you have pre-booked an airport transfer and have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

Emergency Contact

Should you need to contact us during a situation of dire need, it is best to first call either the Travel There Co Local Representative (if one is listed below) or our Travel There Co Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

What to Take

What you need to bring depends on the trip you have chosen and the countries or regions you are planning to visit. We suggest that you pack as lightly as possible as you are expected to carry your own luggage. As a rule we try not to have to walk more than 15-20 minutes with your bags which is why we recommend keeping the weight of your bags between 10-15kg/22-30lb. Hard suitcases are not recommended for Travel There Co trips! Most travellers carry a backpack or rolling bag of small to medium size (no XXL ones please!) as they need to fit under the beds when travelling on sleeper trains. You will also need a day pack/bag to carry water, cameras and other electronics like ipods and mobile phones.

Standard luggage allowance for internal flights is 15kg (33lb) for checked luggage, and is 7kg (15lb) for carry-on luggage. Any charges for additional luggage or weight is the responsibility of the passenger.

Visas and Entry Requirements

INDIA

All travellers must have a valid Indian visa prior to the start of their tour. Please note that visas for India are the responsibility of the individual traveller.

To obtain a visa for India, you may either apply for an e-Visa using the link below, or alternately visit the Indian embassy or consulate nearest you to apply for a physical visa on your passport.

As of 2017, India is now offering e-Visas for most nationalities. Please visit this link for further information and to apply: <https://indianvisaonline.gov.in/visa/tvoa.html>

As there are many fake websites, please only use the link above to apply for your e-Visa and for any additional information.

Please use the start hotel of your tour as a reference for your visa application. Contact us or your travel agent if you need further information.

** Please note that the visa requirements for your trip vary depending on where you are from and where you are going. For the most up to date information, please check your government's foreign ministry website or with your travel agent, as rules do change. It is important that you check for yourself. For most travellers, there will probably be an Indian embassy and consulate in the country that you live in.

NEPAL

Below are the visa requirements at the time of printing (subject to change at any time).

All foreign nationals (except Indians) require a visa to enter Nepal. Visas are obtainable from embassies abroad, on arrival at Kathmandu's Tribhuvan airport, or at the land border crossing. If getting the visa at the airport be prepared for long queues. You will also need to provide one passport photo and the following fees in US dollars cash only: single entry visa valid for 15 days - US \$30: single entry visa for 30 days - US \$50 and multiple entry visa valid for 90 days - US \$125

**Please note that visas are the responsibility of the individual traveller. The visa requirements for your trip vary depending on where you are from and where you are going. For the most up to date information please check your governments foreign ministry website or with you travel agent as rules do change. It is important that you check for yourself. For most travellers there will probably be an embassy and consulate in the country that you live in.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

As currency exchange rates in Asia fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com As of Feb 2012 the exchange rate for INDIA was 1 USD = 49.00 INR (Indian Rupees). There are many ATM machines that accept both Visa and Mastercard but these are limited to major cities. Major credit cards are accepted in most shops but they may charge a 2-4% transaction fee.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

All departure taxes should be included in your international flight ticket.

Tipping

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from USD1-2 per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your Travel There Co CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference; however as a guideline USD20-30 per person, per week can be used.

Optional Activities

Jaipur

- Raj Mandir Cinema and Movie (200-400INR per person)
- Jaipur Cooking Class with a local family

Mount Everest

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our CEOs are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. Travel There Co reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

Trip Specific Safety

We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes which is the most secure way of storing your valuables. A lock is recommended for securing your luggage.

Medical Form

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

A Word of Warning

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Local Dress

In Asia the dress standard is more conservative than it is back home. When packing try to pick loose, lightweight, long clothing that will keep you cool in the usually hot and humid climate of Asian summers. In predominately Buddhist, Hindu and Muslim countries we ask that you dress respectfully and avoid very short shorts/skirts and singlets/tanktops when visiting small rural communities or visiting temples or mosques or other holy sites as this may restrict your entry.

India is very conservative and you should dress accordingly. As a general guideline shoulders and knees should be covered at all times. The wearing of shorts is not allowed as it will restrict your entry into buildings of a religious nature and family homes. A light water and windproof jacket is useful and a hat essential.

NB: WE STRESS THAT IT CAN BE VERY COLD IN THE HILLS DURING THE MONTHS FROM DECEMBER TO FEBRUARY.

NB: During our trip there will be many opportunities for you to meet and "talk" with locals. One way to start any conversation is with pictures. We recommend that you bring some photos/postcards of your family, home, city or country where you live, animals peculiar to your country etc.

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next Travel There Co trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at customerservice@gadventures.com and we will send it on to you.

Minimum Age

You must be 18 to travel unaccompanied on a Travel There Co tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

International Flights

Check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most

up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.
