## Itinerary Disclaimer

---

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

## Important Notes

---

### RAMADAN

According to the lunar cycle, Ramadan will fall between April 23rd and May 23rd, 2020. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

### COMBO TRIP

Please note that this tour combines with other Travel There Co tours. As such, the staff and some travel companions on your tour may have previously been traveling together with Travel There Co, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another Travel There Co tour, after your trip concludes.

## Group Leader Description

---

All Travel There Co group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

## Group Size Notes

---

Max 18, avg 10.

## Meals Included

---

18 breakfasts, 2 lunches, 2 dinners

## Meals

---

Eating is a big part of traveling. Travelling with Travel There Co you experience the vast array of wonderful food

that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. Included breakfasts will usually be asian style consisting of noodles or congee (rice porridge) or bread and eggs. Vegetarians will be able to find a range of different foods, although in some areas the choice maybe limited. While trekking in remote regions food is included, plentiful and made of fresh local ingredients. For all trips please refer to the meals included and budget information for included meals and meal budgets.

---

## Transport

Train, local bus, minibus, ferry, songthaew, taxi, walking, flight.

---

## About our Transportation

As the popularity of train travel in Thailand continues to grow domestically, some of the routes used on this tour do not have sufficient space during local public holidays, including New Year's, Songkran, etc. During these times of the year, alternative transport may be arranged for one or more of the train journeys within Thailand on this tour.

---

## Local Flights

All flights during this tour are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Flight tickets are issued locally and will be given to you prior to the flight departure.

---

## Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

---

## Accommodation

Simple hotels (twin-share) (18 nts), modern multi-share rooms (2 nts), basic bungalows (1 nts), surf camp dorms (2 nts, multi-share), sleeper train (1 nt), homestay (2 nts, multi-share)

---

## About Accommodation

A variety of styles of hotels/guest houses are used on this trip. In many instances they might not be like what you are accustomed to as service and efficiency can vary. In some areas we stay in simple local guest houses in stunning locations. That said, rooms are generally small and simple yet clean. There may only be shared toilet facilities and showers.

We will be travelling through a region where cold water showers are the accepted norm. In keeping with our authentic tours, many of our hotels will not have hot water showers. In some major cities in Malaysia and Singapore, hotel rooms do not have windows.

During the Cianjur homestay, the group shares a big house. Up to five travellers will be sharing each room, and there are three bathroom facilities to be shared by the group.

During the Ngadas homestay, the group will be divided amongst several registered houses in the community. Each family will host 2-3 passengers. Travellers will stay in small rooms with beds and bedding provided. Showers are separate and warm water should be available. Please note that towels and toiletries are not provided at the homestay, be sure to bring your own.

At the surf camp in Red Island, travellers will be in dorm-style rooms with en suite bathroom facilities with up to 6 people per same-sex room.

Multi-share Accommodation: Multi-share same-sex accommodation is used on this tour, as such, if you are travelling with someone of a different gender you will not be in the same room. For private accommodation please see tours in our Classic Travel Style.

## Joining Hotel

---

For details of your joining hotel please refer to your tour voucher, G Account, the Travel There Co App or contact your travel agent.

## Joining Instructions

---

When arriving at Suvarnabhumi Airport (pronounced 'su wan na poom') in Bangkok proceed to the Arrivals Hall where you can change money into Thai Baht. (You may be approached by nicely dressed, official looking touts offering an expensive limousine service to your hotel; ignore these offers.)

You have three transport options; public bus, the Airport Train & MRT or public taxi. All transportation is located on the 'ground' floor.

### Taxi

The airport is located 30km's away from downtown Bangkok. Approach the taxi counters, advise them where you are going and they will write this information down for you along with the taxis registration details. Taxis should always use the meter and you are required to pay a 50 Baht airport surcharge on top of the metered fee plus any tollway fees (approx 70 Baht depending on the route taken). Total journey will cost between 350 THB – 500 THB, depending on traffic and toll fees. The expressway is substantially faster, so tell the taxi driver to use the expressway, you can say either "kuen ton-way" (from 'tollway') or "kuen taang duan" in Thai (but most understand Tollway/express way in English).

### Airport Train

If you are staying at the Centra Central Station Hotel you can take the Airport Train. Board the express airport train at a cost of 150 THB to the City Air Terminal, Makkasan. Here you will need to disembark and change to the MRT (subway) Blue line, boarding at Phetchaburi Station. From Phetchaburi Station travel to the last stop, Hua Lamphong, and follow the signs at the exit for the Centra Central Station Hotel.

### Arrival Transfers

If you have paid in advance for an arrival transfer, a Travel There Co representative will be at the airport to meet you (go to gate 10). If for any reason you are not met at the airport, please call our local support line. If you are unable to make contact for whatever reason, please make your way to the joining point hotel via taxi.

Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time.

A Travel There Co Representative will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

## Arrival Complications

---

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details.

If you have pre-booked an airport transfer please meet your driver near the information counter at gate number 10 of the airport, in the arrival hall. Look for a driver holding a Travel There Co sign with your name.

If you have still have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

## Emergency Contact

---

Should you need to contact us during a situation of dire need, it is best to first call either the Travel There Co Local Representative (if one is listed below) or our Travel There Co Local Office. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so they may return your call and assist you as soon as possible.

### AIRPORT TRANSFER

If you have purchased an arrival through Travel There Co or if an arrival transfer is included in the cost of your tour, please note that:

Your arrival transfer has been arranged based on flight information provided to us. If you are advised of a flight schedule change within 48 hours of your scheduled arrival time, we will do our best to rearrange your arrival transfer however we cannot guarantee this. If your arrival transfer does not arrive within 30 minutes after you have exited the arrivals area please take a taxi to your start point hotel.

## What to Take

---

You will be on the move a good deal, so pack as lightly as possible (try to stay under 10 kg /22lb). It is in your own interest as you are expected to carry your own luggage, though distances are never great. Most travellers carry their luggage in a backpack, although an overnight bag with a shoulder strap would suffice. Suitcases are not recommended for this tour—we frequently get on and off sometimes crowded local transport, so backpacks are much more suitable than suitcases.

We also recommend bringing a day pack for water, camera and sunscreen for day walks and day trips.

## Visas and Entry Requirements

---

Generally Australian, New Zealand, British, Canadian, American, and most European passport holders are granted 30-day visa free entry on arrival in Singapore, Malaysia and Thailand.

Please ensure you check with the appropriate embassy in your home country prior to arrival, especially for certain South American passport holders. Please note that some nationalities (eg. Colombian) are not allowed to enter Malaysia or Singapore overland and instead must fly to enter these countries. If this is applicable to you please note that we can assist you with making flight arrangements for this tour for you but these costs would be additional and not included in tour costs.

Thailand: Most nationalities do not need a visa for Thailand for stays of 30 days or less but if you do they are available on arrival at Bangkok Airport. Please note that as of December 2008, 30 day Thai visas are no longer available at land borders. Only 15 day tourist visas are issued when you enter Thailand overland. If you are staying more than 15 days you should consider getting your visa prior to your trip.

\*Please note that certain nationalities (including: Bhutan, China, Cyprus, Czech, Estonia, Hungary, India, Kazakhstan, Latvia, Lithuania, Maldives, Oman, Poland, Russia, Saudi Arabia, Slovakia, Slovenia, Taiwan and Ukraine) may not be able to obtain visa at a land border.

Indonesia:

Indonesia now offers e-visa services to select nationals. Please check with your local consulate to see if the Indonesia e-visa process is valid per your nationality.

\*\*\*Please note that we always recommend all nationalities to check with their embassy about entry requirements to Indonesia. The situation with visas in Indonesia is changing frequently, and the below information is accurate as of June 19th, 2015.

A 30-day free visa is available at some arrival locations in Indonesia for many nationalities. This visa is non-extendable. This free visa is available at: Jakarta (Soekarno-Hatta Airport), Bali (Ngurah Rai Airport), Medan (Kualanamu Airport), Surabaya (Juanda Airport) and Batam (Hang Nadim International Airport). All travelers to Indonesia must be in possession of passport valid for at least six months from date of arrival and have proof (tickets) of onward or return passage.

The nationalities below will be able to receive the 30-day free visa, however we always advise to check with your embassy to confirm entry requirements:

Austria, Bahrain, Belgium, Brunei, Cambodia, Canada, Chile, China, Czech Republic, Denmark, Ecuador, Finland, France, Germany, Hong Kong, Hungary, Italy, Japan, Kuwait, Laos, Macau, Malaysia, Mexico, Morocco, Myanmar, Netherlands, New Zealand, Norway, Oman, Peru, Philippines, Poland, Qatar, Russia, Singapore, South Africa, South Korea, Spain, Sweden, Switzerland, Thailand, United Arab Emirates, United Kingdom, United States, Vietnam

A 30-day visa-on-arrival is available at all international airports in Indonesia for USD 35. It is then possible to extend this visa for an additional 30 days at the immigration office. Official price is USD 35, extension takes a couple of days and can't be processed at the airport. All travelers to Indonesia must be in possession of passport valid for at least six months from date of arrival and have proof (tickets) of onward or return passage. Payment of visa fees can be made in all major currencies (cash or credit card). However, to avoid any difficulties or abusive exchange rate problems, we highly recommend bringing USD 35 in cash.

Visa extension can be done at the Immigration Office (Kuta in Bali) and will take approximately 7 working days. Cost is additional 35 USD for another 30 Days. Maximum stay is 60 Days

The below countries qualify for getting their visa on arrival:

South Africa, Algeria, US, Argentina, Australia, Austria, Bahrain, Belgium, The Netherlands, Brazil, Bulgaria, Czech Republic, Cyprus, Denmark, UAE, Estonia, Fiji, Finland, Hungary, India, UK, Iran, Ireland, Iceland, Italy, Japan, Germany, Cambodia, Canada, South Korea, Kuwait, Laos, Latvia, Libya, Liechtenstein, Lithuania, Luxemburg, Maladewa, Malta, Mexico, Egypt, Monaco, Norway, Oman, Panama, France, Poland, Portugal, Qatar, China, Romania, Russia, Saudi Arabia, New Zealand, Slovakia, Slovenia, Spain, Surinam, Sweden, Switzerland, Taiwan, Timor Leste, Tunisia, Greece

\*\*\*Travelers from all destinations not listed above must have their visa arranged in advance through their local consulate.

## Spending Money

---

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## Money Exchange

---

During this tour the local currency you will use is the Thai Baht, Malaysian Ringitt, Singaporean Dollar and Indonesian Rupiah. As currency exchange rates in South East Asia do fluctuate, we ask that you refer to the following website for the most up to date daily exchange rates: [www.xe.com](http://www.xe.com) for each of the above mentioned currencies. The best way to carry your money is in debit cards, withdrawing cash in local currencies from ATM machines. ATMs are found throughout South East Asia and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible in case of loss or problems with one card, you will have a back up. Please note, your bank will charge a fee for overseas withdrawals. USD Cash is recommended for times when ATMs are not accessible. You should bring some cash with you for emergency situations (please refer to our trip dossier) but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix. Travellers cheques can be tricky, timely and expensive to exchange. While we do not recommend that you bring them as your primary source of funds, it is great to have one or two cheques in case of emergency. Thomas Cook or American Express travellers' cheques in US currency are the easiest to exchange. Cash advances can also be made with some banks but are time consuming and tend to have high fees attached. Credit cards can be used at some upmarket restaurants, and at some larger stores if shopping for big items. If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 2003, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

## Emergency Fund

---

Please also make sure you have access to at least an additional USD \$250 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

## Departure Tax

---

## Tipping

---

It is customary in Asia to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is expected - though not compulsory - and shows an expression of satisfaction with the people who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. You may do this individually, or your CEO will offer to

collect the money and tip as a group. Recommendations for tipping drivers and local guides would range from \$1.5-\$3.5 USD per person per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture. Also at the end of each trip if you felt your Travel There Co CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

## Health

---

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that sometimes we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. In Asia pharmacies tend to stock the same western drugs as you get at home but they are usually produced locally so please bring the full drug name with you when trying to purchase a prescription drug. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. Travel There Co reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

## Safety and Security

---

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to

ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

[www.gadventures.com/travel-resources/safety/](http://www.gadventures.com/travel-resources/safety/)

---

## Medical Form

---

## A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

---

## A Word of Warning

---

## Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

## Local Dress

When packing be aware that dress standards are conservative throughout Asia. Loose, lightweight, long clothing is both respectful and cool in the predominantly hot Asian climate (suitable clothing can be purchased cheaply in Bangkok). Shorts should be knee-length. Singlets and tank tops (vest tops) are not suitable in many areas. Most of the areas visited on this trip are predominantly Muslim and therefore modest dress is suitable. Topless and nude bathing or sunbathing is not appropriate and is in fact illegal. In some places you should use a sarong or shorts and T-shirt for swimming rather than a swimsuit.
