Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Important Notes

RAMADAN

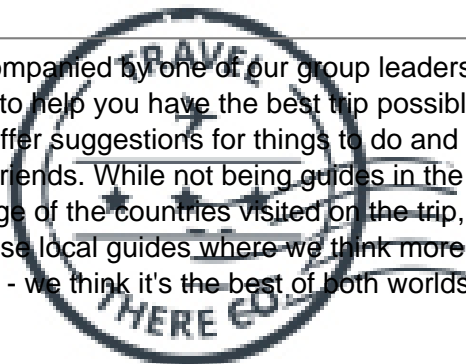

According to the lunar cycle, Ramadan will fall between April 23rd and May 23rd, 2020. Please note that Ramadan is a month of fasting observed by Muslims throughout the world, during which time the followers of Islam should not eat or drink between sunrise and sunset. There may be some limitations to services and disruptions to schedules during Ramadan, but generally our tours still operate effectively during this period and food is available to non-Muslims throughout the day. It is very important to display increased cultural sensitivity during Ramadan. Please wear loose fitting clothes, that cover knees and shoulders, and try to avoid eating, drinking or smoking in public out of respect for those who can't at that time.

ELECTRICAL SOCKETS

Please note that the electricity sockets in Oman are three pinned (like the UK).

Group Leader Description

This Travel There Co group trip is accompanied by one of our group leaders. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

Meals

Eating is a big part of traveling. Travelling with Travel There Co you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. The above information applies to Travel There Co group trips. For Independent trips please check the itinerary for details of meals included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

About Accommodation

On this trip you can expect to stay in small local hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a little in standard and facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run and in excellent central locations to give you maximum time for exploring the sights.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink

more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The currency in Oman is the Omani rial (OMR)

There are plenty of banks that can be found in Oman. ATMs are found within main cities (mostly in shopping malls and airports) in Oman and will generally accept cards on the Visa and Mastercard networks. It is a great idea to travel with both a Visa and Mastercard if at all possible as while there is no hard and fast rule, some banks seem to only work with one brand of card. Please note, your bank will charge a fee for overseas withdrawals. Smaller shops and restaurants will mostly only accept cash.

Cash is recommended for times when ATMs are not accessible. Euros, British Pounds and US Dollars are all easy to exchange to the Local currency. Please note that you should bring some cash with you for emergency situations but carrying only cash is a high safety risk. ATM card/s and some cash is the ideal mix.

If you are bringing US Dollars, please make sure that the notes are new and in good condition. Notes older than 1996, or with any tears or blemishes may not be accepted. Be fussy with your bank when buying cash!

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

OMR 5 must be paid upon departure if not collected at ticket issuance.

Tipping

Tipping is a way of life in the Middle East. Locals themselves will usually tip anyone who provides them with services. In many cases, people depend on the tips they receive to supplement the low salary and wages of the Middle East region.

While on tour in the Middle East, it is customary and even expected to tip small service providers such as restaurant and bar waiters, hotel staff, reception, cleaning personnel, bell boys, taxis and van drivers. Tipping at restaurants in Oman is expected at the rate of 10%. Tips are regarded as an essential means of supplementing income for those working in the tourism industry.

To make things as easy as possible and avoid embarrassing situations, Travel There Co has developed a tipping kitty system where your CEO will collect a contribution from everybody at the start of your tour and use this kitty to tip anybody who has provided services to the group as a whole. A guideline for tipping is about \$5-10 USD per day, depending on the quality of the service (this does not include your Travel There Co CEO). On Day 1 of your tour, your CEO will be able to advise on the amount required from everybody to form the tipping kitty for your trip. You can pay in USD or the equivalent local currency (preferably local currency). The CEO will be able to advise you on the exchange rate and the total required in either currency

If at any time you feel that any service provider failed in maintaining or delivering good service, please bring it immediately to the attention of your CEO so a deduction of tips can take place.

At the end of your trip if you felt that your Travel There Co CEO did an outstanding job, tipping is also expected and appreciated. The precise amount is entirely a personal preference, however \$35-40 USD per person per

week can be used as a general guideline.

Optional Activities

W?d? Ban? Kh?lid

- Hiking and Swimming in W?d? Ban? Kh?lid

Nizwá

- Nizwá Fort Visit (5OMR per person)

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

DRINKING WATER: It is advisable to drink bottled water in Oman.

There are no specific health requirements for this trip. However, we recommend protection against typhoid, tetanus, infectious hepatitis and polio. You should consult your doctor for up-to-date medical travel information before departure. We recommend that you carry a First Aid kit, hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that we are in remote areas and away from medical facilities for some time during this trip, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](/travel-resources/safety/) for ways to further enhance your personal safety while traveling.

Trip Specific Safety

Like anywhere in the world, major cities have areas safer than others, use common sense, be aware of your surroundings and mind your personal belongings.

Medical Form

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

A Word of Warning

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. Travel There Co can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.

Local Dress

While visiting mosques and other religious monuments you should dress modestly, cover your shoulders and you shouldn't wear short shorts or skirts. Outside of capital cities and the more touristic centres, local dress is often more conservative and as a matter of respect we ask that both men and women are aware of this and recommend loose-fitting clothes with your shoulders covered. Ask your CEO for more specific advice.

Feedback

After your travels, we want to hear from you! Your feedback information is so important to us that we'll give you 5% off the price of your next Travel There Co trip if your feedback is completed on-line within 30 days of finishing your trip. Your tour evaluation will be e-mailed to you 24 hours after the conclusion of your trip. If you do not receive the tour evaluation link in the days after your tour has finished, please drop us a line at customerservice@gadventures.com and we will send it on to you.

Minimum Age

You must be 18 to travel unaccompanied on a Travel There Co tour. For minors travelling with a guardian over 21 years old, the minimum age is 12.

International Flights

Check-in times and baggage allowances/restrictions vary by airline and can change at any time. For the most up-to-date information for your flight, please contact your airline. We recommend checking in online in advance to avoid potential delays at the airport.
